Sir,

Referring to Government order No. L. 3761-65/L.B. 107-34-46 dated the 21st November 1935 sanctioning with certain modifications the budget estimates of the Tumkur District Board for the current year, I have the honour to state that the said order was placed before the -- Board at their meeting held on 21-12-1935. The order was recorded with the observation that Government be requested to restore the grant under B2 repairs as the grant is necessary to keept the building in repairs ~~x~~ and to increase the grant under A2 Repairs by Rs 2000/- as the amount is required for repairs on account of heavy rains during the year. A copy of the resolution of the Board is enclosed for perusal.

The amount of Rs 3000/- provided under A2 Repairs was for the repairs of tunnels etc., on existing roads. During the heavy rains in October last several road tunnels are badly damaged and they are in need of repairs urgently. Unless a grant of Rs 2000/- is sanctioned it will not be possible to repair the tunnels and prevent further damage from rains next monsoon.

A sum of Rs 2000/- was provided in the budget for the annual repairs of travellers' bungalows and musafirkhanas which are 31 in number. The provision is removed for the reason that the expenditur on travellers' bungalows and musafirkhanas is far in excess of the income therefrom. The provision is very necessary to attend to the annual repairs of these buildings as otherwise the buildings will deteriorate necessitating heavy expenditure sometime later. I request therefore that the additional grant asked for by the Board may kindly be -

sanctioned

Sir,

With reference to your letter no C 348 35-36 dated the 8th January 1936 requesting the restoration of grants under Veterinary heads of the Distt Board budget for the current year, I am directed to state as follows:—

1) Under the Veterinary Hospitals and

additional grant of Rs 5000/- is
asked for, for the repairs of
tunnels etc. Under this head,
a sum of Rs 3803/- has already
been sanctioned by Govt. as
against the sum of Rs 5653/-
actually required for expre
There would thus be a saving of
a sum of Rs 1850/- in carrying

of tunnels as against
the sum of Rs 5653/- now required.
The Dist. Board thinks it
to meet the extra amount of Rs 1850/-

To

The President, District Board, Tumkur,
(Through the Deputy Commissioner, Tumkur District).

Sir,

With reference to your letter No.C.348/35-36 dated the 8th January 1936 requesting the restoration of grants under certain heads of the District Board budget for the current year, I am directed to state as follows:-

(1) Under ~~item~~ 2 repairs, additional grant of Rs.2000/- is asked for, for the repairs of tunnels etc. Under this head, a sum of Rs.58,037/4 has already been sanctioned by Government as against a sum of Rs.56537/- actually required for expenditure. There would thus be available out of this provision a sum of Rs.1500/- for carrying out really urgent repairs to masonry works and reconstruction of tunnels, as against the sum of Rs.2000/- now asked for. The District Board should be able to meet the extra amount of Rs.500/- by reappropriation from sanctioned grants.

(2) In regard to the additional provision of Rs.2000/- under B2 'repairs' for undertaking repairs to Travellers bungalows and musafirkhanas, I am to state that the additional amount will be allowed as a special case if it is meant for expenditure of a non-recurring character.

I have the honor to be,
Sir,
Your most obedient servant,
